

## **Year 11 to 12 Bridging Work**

You will begin Unit 5 portfolio work in September.

You will be using many new terms and need to know who is involved in Health and Social Care.

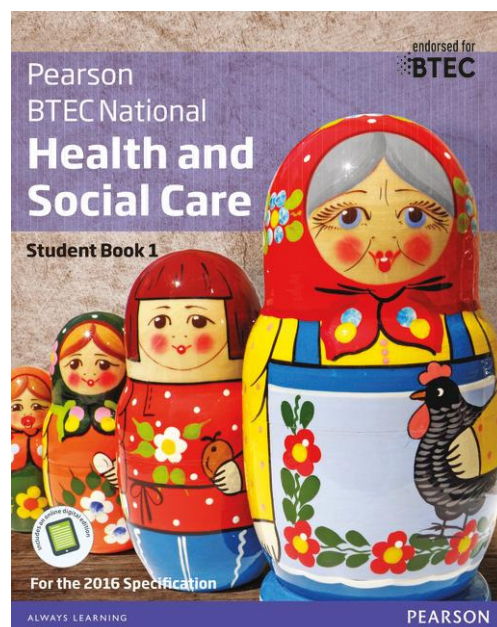

Your task is to make up a glossary/vocabulary list. This means you will have an understanding of the practitioners involved in the health system and understand the multi-disciplinary team.

To research each one please do the following:

1. Look up 3 UK website
2. Read the information from each
3. Write your own notes – do not copy and paste.
4. Research what each practitioner's daily role or duties involve, type of clients and what tasks are carried out for the clients
5. You do not need qualification, pay, qualities, pictures or images
6. Your work can be typed up or written
7. Bring your work to the first H&SC lesson
8. One to two paragraphs for each practitioner is enough

1. General Practitioner
2. Paediatrician
3. Clinic Psychologist
4. Social Worker
5. Occupational Therapist
6. Special Educational needs Co-Ordinator (SENCO)
7. Educational Psychologist
8. Speech and Language Therapist
9. Macmillan Nurses
10. Family Support Worker
11. Explain what is a multi-disciplinary team.
