20th March 2020

Dear Parents/Carers,

Many thanks for letting us know that your daughter will be coming to school on Monday, either because your child has certain needs or because you are working in a Key profession. If you are unsure if your profession counts as a Key Profession, you can find a full list here. If you are reading this on the school website and have not yet completed the survey, please can you let the school know if your daughter will be attending on Monday by completing the survey – the link is below. Note that only one parent or carer in a household needs to be a critical worker for your child to qualify for continued education in school. However, the government guidance does encourage parents and carers who are critical workers to keep their children at home if they can do so safely.

We are looking forward to welcoming your daughter into school on Monday and will have a planned timetable for them of lessons which they will receive on Monday morning. On Monday morning, if your daughter arrives at school before 8.30, the canteen will be open with a limited service. Your daughter should come to the Performance Space at 8.30 am for assembly and registration. Your daughter should bring her normal equipment and be in full school uniform. There are no PE lessons planned for Monday but there will be these lessons at other times during the week. We will endeavour to do all we can to keep the routine as normal as possible for your daughter as she attends school every day. School will finish at a normal time of 3.10pm

We appreciate your continued patience with us as we deal with this ever-changing situation and will update you of any further information as it arises.

Thank you again for your continued support, and we will be in touch with more information when we can.

Matthew Brown
Head Teacher
