

CHEMISTRY, BIOLOGY AND PHYSICS

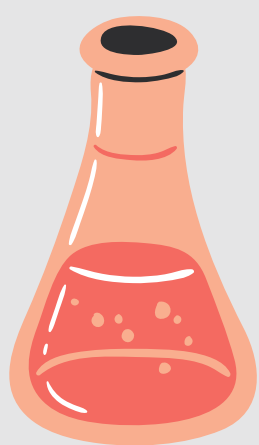

SCIENCE FAQS

1

DO YOU DO EXPERIMENTS IN SCIENCE?

Yes as part of the Science lessons we do experiments - though not every lesson.

2

HOW MANY STUDENTS DO YOU HAVE IN A CLASS?

On average we have 25+ students in each class.

3

DO YOU SET IN SCIENCE?

In Year 7 students are placed in their groups based on their Maths SATs. In other years they are set based on their end of topic tests and end of year exams.

4

WHAT DO YOU STUDY IN YEAR 7?

In Year 7 among the things we study are Cells in Plants and Animals, Acids and Alkalis and Space.

5

WHAT DO YOU LEARN AT GCSE?

Our students either follow the Edexcel Combined Science Course or an invited to apply for the Triple Science Course.

6

WHAT COURSES DO YOU LEARN IN KS5?

We offer A levels in Biology and Chemistry and we also offer BTEC Applied Science.

DONT FORGET - SCIENCE IS FUN!
