# NATIONAL APPRENTICESHIP WEEK

## Apprenticeship Newsletter

The theme for National Apprenticeship Week 2024 is "Skills for Life". We encourage everyone to consider how apprenticeships can help individuals to develop the skills and knowledge required for a rewarding career, and employers to develop a workforce with future ready skills.

Please find information regarding apprenticeships available by registering on the link attached to each article.

### **Corporate Tax Associate (Apprenticeship) - September 2024 Start - Maidstone**

Is a career in Accountancy and Tax for you? Would you like to get a head start with some relevant on the job experience while you study for your recognised qualifications? Then starting your career with our apprenticeship programme is a good option.

There's every chance you'll be fully qualified in less than five years, much earlier than if you were to study at university. You will have the same opportunities available to you as any other graduate would without student debt.

If you think you would like to be a part of the fast-moving, ever-changing world of Corporate Tax, this could be the role for you! We need creative, innovative thinkers, who can bring solutions and advise clients at important times in their business lifecycle! On top of that are you interested in getting a head start with some relevant 'on the job' experience while you study for your recognised qualification? You would like to join a supportive and social community of incredible people who are invested in your success. Our mentors will guide you on a rewarding journey!

Remember, accountancy is a broad sector, made up of many service lines. All are dynamic, stimulating and client led. Keep an open mind and ask questions at the assessment centre! Our tax people are creative thinkers, who help businesses make

the most of their money, throughout their business lifecycle. Tax is an ever-changing landscape, so you'll be challenged, developed and importantly, supported all the way.

**So, you're leaving school or looking for something new, what next? How about:**

- Competitive apprenticeship salary and benefit package.
- Work-life as well as work-study balance.
- Agile working policy with working from home opportunities and flexible hours.
- Full study support package to gain a globally recognised qualification with the Chartered Institute of Taxation.
- Linked learning approach with Kaplan or First Intuition, who are award winning training providers.
- On the job training and practical experience.
- Face to face contact with clients early on.
- A career within a national organisation, with access to a in a global network of 30,000 people across 147 countries.
- Working with a wide range of entrepreneurs, owner managed businesses and subsidiaries of large international groups.
- Increases throughout your training contract and more!
