During the first term in Dance and Drama you will be studying Fairytales and linking this theme to a variety of skills used during your lessons.

Your task is to create a storyboard of your favourite Fairytale.

### Challenge Task- Key Words

Find the definitions of the key words below:

Narration-

Actions-

Characterisation-

Dynamics-

#### Drama:

In the comment boxes of the storyboard can you narrate what is happening in the scenes? This should be a clear explanation of what is happening in the story. Can you think about setting the scene for the readers and consider the feelings of the characters?

#### Dance:

In the table below you should think about the characters in your story. If you were to adapt the storyboard and make it into a dance piece you would have to add in movements and dynamics. Below in the table there are 2 examples of what you may add into your Dance piece.
