20th November 2020

Dear Parent/Carer,

I am writing to you today to notify you that a further 3 members of our non-teaching staff have had confirmed positive tests for Covid-19. Close contacts of the individuals have been contacted and are being asked to self-isolate.

A letter has been sent to some parents/carers today advising them to ensure that their daughter self isolates for a period of time. This applies to a small number of students in year 11 only. If you did not receive this letter then it does not apply to you, you do not need to do anything and your daughter should attend school as usual on Wednesday 25th November 2020 (as per the whole school letter sent earlier), unless your daughter is already self-isolating.

The Chair of Governors and the Local Authority have been made aware of this situation.

Yours sincerely,

Miss F Minnis
Deputy Head Teacher
