This letter is being sent by email and is being placed on the school website. Please note that parents of all students directly affected have been notified by phone.

13 November 2020

Dear Parents/carers,

A letter has been sent to some parents/carers this evening advising them to ensure that their daughter self isolates for a period of time. This applies to some students in years 10 and 11 only. If you did not receive this letter then it does not apply to you, you do not need to do anything and your daughter should attend school as usual on Monday, unless your daughter is already self-isolating.

I realise that this is a very challenging time for everyone. If your daughter/son has any symptoms at all please ensure that they stay at home, self-isolate and get tested. Clearly, everyone must follow the national lockdown guidance with regard to social distancing, travel (essential travel only) and mixing of households.

Finally, as per my letter yesterday, a reminder that all members of the school community must wear a face covering at all times on the school site (apart from in a lesson and when sitting down eating at lunch or break). Please make sure that your daughter/son has a face covering (and a backup!) with them at all times.

Thank you for your ongoing support and understanding.

Take care and please stay safe.

Yours sincerely,

Matthew Brown
Head Teacher
