

Message from the Headteacher Tuesday 18th August 2020

Dear Year 13 parents and students,

I am writing to you to keep you informed about Key Stage 5 examination results.

Yesterday, Ofqual made the following announcement:

"We have therefore decided that students be awarded their centre assessment for this summer - that is, the grade their school or college estimated was the grade they would most likely have achieved in their exam - or the moderated grade, whichever is higher."

You can read the statement in full by following this link:

We will contact you, again, when the process for issuing centre assessed grades has been explained to schools, so that students know what to do next.
