Summer School & Website Information

Dear Parents/Carers,

We have been sending out various information for Year 6 induction and we appreciate all your support in completing admission forms and attending induction events. As per previous emails, all relevant information can now be accessed via the link at the end of this letter.

We are very excited to be welcoming your daughters both in September and during Summer School and wanted to take this opportunity to remind you to sign your daughter up on the school website via the link below, if you haven't yet done so. We have a wide range of activities planned, sports, music, science experiments and even a theatre group coming in to run a workshop on A Midsummer Night's Dream which your daughters will study in Year 7 in English.

As you know **Summer School runs from Wednesday 24th July to Friday July 26th 2024** inclusive for year 6 students only and it is possible to attend just one day, two days or all three days as we are aware many students will still be celebrating their end of term at school.

Your daughter will need to **arrive at Reception each day between 9.15am and 9.25am** to sign in, the first session will start promptly at 9.30am. **The day will conclude at 2.35pm.** Should you wish to collect her please be standing in the car park area outside reception at 2:35pm otherwise we will assume that she is making her own way home as a practice run for September. Please ensure your daughter knows the arrangements you have made.

Dress will be casual every day and should protect your daughter from the sun, cold wind and wet weather. The choice should be suitable for classroom based, art and physical activities and trainers will be advisable. In hot weather please provide suncream.

A packed lunch, with a drink, will be needed every day and your daughter will need to bring a snack and a drink (no glass bottles) for break time. There are no facilities for buying food or drink during the day although there are drinking water taps available.

If your daughter does need to have a **phone** with her for the journey, we will be collecting these in at the start of the day and issuing these back out in the final session. Please ask them to keep phones at home if you will be dropping off and collecting.

If your daughter has any medication to take in the day, it must be provided in a clear plastic bag with her name clearly printed on it and a signed letter inside from you stating the medication, dosage, timing etc. and your permission for us to administer.

The following link will take you to the Induction Page on our Website and you can sign up to summer school via a link on this page as well as get all other information for September - Link → [Blackfen School for Girls - Year 6 Induction](#)

We look forward to meeting your daughter in the summer and working with you in the future, any further questions please email admissions@blackfen.bexley.sch.uk
