

Future Learn offers a diverse selection of free, high quality online courses from some of the world's leading universities and other outstanding cultural institutions.

Courses are delivered one step at a time, and are accessible through **mobile**, **tablet** and **desktop devices**, so you can fit learning around your lifestyle.

FutureLearn offers a powerful new way to learn online. Every course has been designed according to principles of effective learning, through storytelling, discussion, visible learning, and using community support to celebrate progress.

You will have your own personal profile and will be given a step by step guide to help you learn throughout the course.

Courses vary in length. They can range from 6 – 10 weeks long but some can be 2 – 3weeks.

Not only can you learn something new...You can impress future employers and potential universities that you have completed a Future Learn course.

You can learn by watching videos, listening to audio and reading articles. Many of these are followed by short quizzes and tests to check that you have understood.

On completion of the course, you are able to purchase a *Statement of Participation* to recognize that you have taken part.
