Blackfen School for Girls

This policy sets out the school's arrangements for managing the access of providers to students at the school for the purposes of giving them information about the provider's education or training offer. This complies with the school's legal obligation under Section 42B of the Education Act 1997

Student Entitlement

- All students in years 8-13 are entitled: to find out about technical education qualifications and apprenticeship opportunities, as part of a careers programme which provides information on the full range of education and training options available at each transition point.
- Hear from a range of local providers about the opportunities they offer, including technical education and apprenticeships
- Understand how to make applications for the full range of academic and technical courses

Management of provider access requests

A provider wishing to request access should contact:
Mrs Kellie Smith, Careers and Work Experience Co-ordinator
Email: ksm@blackfen.bexley.sch.uk

Opportunities for access

A number of events, integrated into the school careers programme, will offer providers an opportunity to come into school to speak to students and/or parents/carers. This includes the following (not an exhaustive list as we regularly host providers on an ad hoc basis).

Please contact the careers department to identify an appropriate opportunity to conduct a visit. Whilst every effort will be made to support providers accessing Blackfen School for Girls students, the school will reserve the right to withdraw this opportunity, especially if the school decides the student entitlement criteria above are not being met.

Premises and facilities

The school will make the main hall, classrooms or private meeting rooms available for discussions between the provider and students, as appropriate to the activity. The school will also make available AV and other specialist equipment to support provider presentations. This will all be discussed and agreed in advance of the visit with the Careers Leader or a member of their team.

Providers are welcome to leave a copy of their prospectus or other relevant course literature at the Careers Resource Centre, which is managed by the school librarian. The Resource Centre is available to all students before school, break time, lunchtime and after school.
