Dear Parent/Carer,

March 2025

DISCOVER 2025 – Wednesday 16th July 2025, City of London Murder Mystery Trail

As part of the Discover 2025 programme for KS3 students, your child has been selected to attend the trip to City of London Murder Mystery Trail on Wednesday 16th July 2025.

Students are not required to wear school uniform for the trip but should ensure they are dressed appropriately (i.e. no shorts above mid-thigh/ripped jeans or crop tops, and no false nails or lashes). If students decide to bring electrical items with them, the school will not take any responsibility if anything is lost or damaged during the trip.

Activities on the day

Students will become detectives as they try to solve a murder using a series of clues and puzzles. They will make their way from St Paul's Cathedral, through the city of London, following a trail to pick up clues from their surroundings. The trail ends at Tower Bridge, and they will make their way back to London Bridge Station to return to school. The group will move around the City of London, following the trail together, but will be solving the puzzles and applying their clues in smaller groups of their choosing. They will be always supervised by school staff.

We will be making our return journey by public transport, from Sidcup to London Bridge. We have secured free travel for all students via TfL.
