

# BTEC Childcare

Childcare induction task

Research child development milestones for children from **birth to 8 years.**

What should babies/children be expected to achieve in these age ranges. For these areas of development - **Physical - intellectual - social - emotional - language(communication)**

- Birth to 1 year old
- 
- from 1 year old to 2-year-old
- 
- from 2-year-old to 4-year-old

Make notes on each of these stages.
