Dear Parents and Carers,

February 2021

**Year 9 Parents Evening:
Yellow Community, Purple Community and Green Community Groups 5 - 9
Thursday 4th March 2021**

The Year 9 remote Parents Evening will take place on **Thursday 4th March 2021 from 4.00pm to 6.30pm** to provide you with a review of your daughter's progress by her subject teachers. This is an important event in the school calendar and we are expecting the parents/carers of all students to attend.

In view of parent meetings with teachers now taking place remotely, the school has subscribed to 'SchoolCloud', a recommended online appointment and video meeting system. This digital platform allows you to choose your own appointment times with teachers; to receive an email confirmation of your appointments and to be able to join meetings using a range of digital devices. SchoolCloud has been used in earlier Parents Evenings, this year and its on-line systems have worked well for all participants.

Appointments can be made from Friday 12th February 2021 and **will close on Wednesday 3rd March 2021 at 4pm**. If you are unable to make an appointment with a member of staff as they are already fully booked, please email admin@blackfen.bexley.sch.uk and mark it for the attention of the member of staff concerned.

In order to ensure brevity, teaching staff have been directed to focus feedback on the following points: Progress and attainment • Attitude to learning • Standard of classwork and homework. Parents and carers should ask for an appointment at another time if there are other issues which require longer discussion.

Year 9 students, in discussion with their parents and carers, are now reflecting on their potential selection of courses for study in Key Stage 4 and the Year 9 Parents Evening is an important part of the support offered by the school, at this stage of the process. In order to make the best use of time on 25th February, parents and carers might like to consider making appointments with the teachers of English, Mathematics and Science, in the first instance, and then making appointments with the teachers of subjects that students are interested in taking forward into Key Stage 4 study. Further information about Key Stage 4 courses and qualifications will be available this week in two recorded presentations: The 'Year 9 Assembly', which explains the full course selection process; and the "SL Guides", which provides specific details about courses and supplements the information in the Key Stage 4 Course Selection booklet.

The remainder of this letter guides parents on the use of SchoolCloud.

Yours faithfully,

Miss F Minnis
Deputy Head Teacher
