14.6.21 Wk. A2				18.6.21: CAG data upload deadline

'Snapshot grades' are students' on-going or 'working-at' grades based on Assessments. They help teachers to plan appropriate teaching but they are not the final centre assessed grade.

'Assessments' are timed classroom tasks and activities using Exam board or other department materials.

Moderation of students' assessed work is on-going throughout the school process.
