The school has 2 defibrillators located in the first aid room and externally on the admin block wall that can be accessed by the public. This has been registered on The Circuit – the National Defibrillator Network.

- The defibrillator is serviced annually by a competent company.
- The defibrillator is stored in the school first aid room in the admin block
- External signs denoting the school's defibrillator are on the perimeter fence.
- School office is contacted if the defibrillator is required and dispatched accordingly.
- The defibrillator checked that the battery is live once a week by allocated staff
- The defibrillator has a spare battery, scissors and razors attached.

3. Selection of first-aiders

3.1 When selecting first-aiders, the Head Teacher should consider an individual's:

- Reliability and communication skills.
- Aptitude and ability to absorb new knowledge and learn new skills.

Blackfen School for Girls

- Ability to cope with stressful and physically demanding emergency procedures.
 - Normal duties. A first-aider must be able to leave immediately in an emergency unless a specialist first aider is available and will attend.
- 3.2. Unless first-aid cover is part of a staff member's contract of employment, people who agree to become first-aiders should do so on a voluntary basis.

4. Training

- 4.2. The Business Manager is responsible for organising first-aid training.
- 4.3. The academy keeps a record of who is trained in first-aid and the date that their certificates expire.
- 4.4. First-aiders will be offered re-trained within 3 months prior to the end of the third year, when their first-aid certificates expire.
- 4.5. All First-aiders should ensure that they have read the school's First Aid Policy and sign the training record to say they have done this.

5. Roles and responsibilities

- 5.2. The main duties of the appointed person are to:
- Take charge of first-aid arrangements, including looking after equipment and calling the emergency services, where necessary.
 - If a person is not first trained they should not give first-aid treatment for anything they are not trained for and seek a senior first aider.
 - First aid training will incorporate the following but not limited to.
 - What to do in an emergency.
 - Cardiopulmonary resuscitation.
 - First-aid for the unconscious casualty.
 - First-aid for the wounded or bleeding.
 - Liaise with the Admin Office, where necessary, to facilitate the replacement of out-of-stock or expired first-aid material or equipment.
 - Remain on-site throughout the school day or sign out at reception informing their line manager they are off-site.
- 5.3. The main duties of first-aiders are to:
- Complete a training course approved by the Health and Safety Executive (HSE).
 - Give immediate help to casualties with common injuries and those arising from specific hazards at the academy.

Blackfen School for Girls

- Ensure that an ambulance or other professional medical help is called, where appropriate.

6. Reporting incidents and record keeping

Reporting

- 8.1. The Business Manager will ensure that procedures are in place to report any major or fatal injuries without delay (e.g. by telephone), as required by RIDDOR. Other reportable injuries will be reported within 10 days.

Record keeping – All incidents, accidents are reported to the school office who will seek advice from the local authority medical and health & safety team for further action

- 8.2. The Business Manager will ensure that records are kept of any reportable death, specified injury, disease or dangerous occurrence that requires reporting under RIDDOR.

All injuries must be reported to the school office who will keep a record of this. The schools have a service level agreement with the local authority on incident report who will advise if an injury is reportable to a regulatory body.

- 8.3. Reportable injuries include:

- Fractures, other than to fingers, thumbs and toes.
- Amputations.
- Any injury likely to lead to permanent loss of sight or reduction in sight.
- Any crush injury to the head or torso causing damage to the brain or internal organs.
- Serious burns (including scalding), which cover more than 10 percent of the body or cause significant damage to the eyes, respiratory system or other vital organs.
- Any scalping requiring hospital treatment.
- Any loss of consciousness caused by head injury or asphyxia.
- Any other injury arising from working in an enclosed space which leads to hypothermia or heat-induced illness, or requires resuscitation or admittance to hospital for more than 24 hours.

- 8.4. Reportable occupational diseases include: (Staff with an occupational disease should report this to HR after seeking medical advice.)

- Carpal tunnel syndrome.
- Severe cramp of the hand or forearm.
- Occupational dermatitis e.g. from work involving strong acids or alkali, including domestic bleach.
- Hand-arm vibration syndrome.

Blackfen School for Girls

- Occupational asthma e.g. from wood dust or soldering.
 - Tendonitis or tenosynovitis of the hand or forearm.
 - Any occupational cancer.
 - Any disease attributed to an occupational exposure to a biological agent.
- 8.5. Work-related stress and stress-related illnesses (including post-traumatic stress disorder) are not reportable under RIDDOR, as a reportable injury has to have resulted from a work-related incident. (staff to report this to HR)
- 8.6. Dangerous occurrences include:
- The collapse or failure of load-bearing parts of lifts and lifting equipment.
 - The accidental release of a biological agent likely to cause severe human illness.
 - The accidental release or escape of any substance that may cause a serious injury or damage to health.
 - An electrical short circuit or overload causing a fire or explosion.
- 8.7. Injuries to pupils and visitors who are involved in an accident at school, or an activity organised by the academy must be reported to the Amin office who will comply with local authority agreement and follow advice and reportable if the accident results in:
- The death of a person which arose out of or in connection with a work-related activity.
 - An injury that arose out of or in connection with a work-related activity and the person is taken directly from the scene of the accident to hospital for treatment (examinations and diagnostic tests do not constitute treatment).
- 8.8. Records will also be kept of all occupational injuries where a staff member is away from work or incapacitated for more than three consecutive days, although this doesn't need to be reported.
- 8.9. The academy does not have to report injuries where the pupil remains at school, is taken home or is simply absent from school for a number of days.
- 8.10. First-aiders will ensure that they comply with the reporting procedures of the school after administering treatment, including recording:
- The date, time and place of the incident.
 - The name (and class) of the injured or ill person.
 - Details of the injury/illness and what first aid was given.
 - What happened to the person immediately afterwards? (e.g. went home, resumed normal duties, went back to class, went to hospital).
 - Name and signature of the first aider or person dealing with the incident.
 -

Blackfen School for Girls

- 8.11. Records will be maintained for no less than three years after the incident.
- 8.12. The accident reporting book is kept in the Main Office.

9. Circulation

- 9.1. The Business Manager will inform all staff, including those with reading and language difficulties, of the first-aid arrangements. This should include:
 - The location of the first-aid equipment, facilities and personnel.
 - The procedures for monitoring and reviewing the academy's first-aid needs.
